

REMARKS

By the present Amendment, claims 17 and 30 are cancelled and claims 16 and 29 are amended. This leaves claims 16, 18-29, 31 and 32 pending in the application, with claims 16, 20, 29 and 31 being independent.

Rejections Under 35 U.S.C. § 112, Second Paragraph

Claims 16-19 and 29-30 stand rejected under 35 U.S.C. § 112, second paragraph, as being indefinite. The terminology regarding the corresponding recesses on the outer cover front surface receiving the positioning members is alleged to be vague and indefinite in claims 16 and 29. Claims 16 and 29 now recite recesses on front and back surfaces of the outer cover to receive the positioning members on the opposite ends of the reversal segments. Thus, the presently pending claims are definite and comply with 35 U.S.C. § 112.

Claim 16 is also amended to include the subject matter of claim 17, while claim 29 is also amended to include the subject matter of claim 30, such that present claims 16 and 17 constitute claims 17 and 30 rewritten in independent form and to overcome the alleged indefiniteness. Thus, claims 16 and 29, and the claims dependent thereon should now be allowable.

Claims 20-28 and 31-32 are allowed.

Accordingly, the record will not be burdened with a comparison of the pending claims and the cited patents, and claims 16, 18-29, 31 and 32 are allowable.

Prompt and favorable action is solicited.

Respectfully submitted,

Mark S. Bicks
